

Archbishop Beck Catholic College is a Post-16 Partner College of the University of Liverpool

The University of Liverpool is committed to supporting talented students who wish to access higher education, regardless of their background. The University's [Liverpool Scholars](#) and [Realising Opportunities](#) programmes offer Year 12 students the chance to take part in a range of activities aimed at supporting their entry into higher education and preparing them for university.

The Liverpool Scholars Programme

The University of Liverpool is committed to supporting talented students who wish to access higher education, regardless of their background. The Liverpool Scholars programme offers Year 12 students the chance to take part in a range of activities aimed at supporting their entry into higher education and preparing them for university, such as application guidance masterclasses, lectures and academic key skills workshops. These activities are delivered in partnership with academics, undergraduates and the wider University, culminating in Scholars completing an academic assignment. Through the Liverpool Scholars programme, we aim to nurture well informed, confident applicants who are well equipped for their University experience.
