3. B	3. Barriers to future attainment (for pupils eligible for PP)					
Acad	Academic barriers (issues to be addressed in school, such as poor literacy skills)					
A.	Whilst improving, disdavantaged higher ability pupils do not always achieve the top grades that they are capable of.					
B.	Whilst improving, the progress of disadvantaged pupils in the Ebacc element remains below the progress made in the other elements.					
C.	A consistent approach to teaching and learning needs to be embedded, including increased levels of challenge, deeper questioning and student independence.					
Additio	onal barriers (including issues which also require action outside school, such as low attendance rates)					
D.	Attendance rates for pupils eligible for PP are lower than other pupils. A higher proportion are persistently absent. This reduces their time in lessons and thus affects their progress. Monitoring visit Ofsted 2019 "Overall attendance has improved since the previous inspection, and this includes the attendance of disadvantaged pupils. However, although the rate of persistent absenteeism of disadvantaged pupils has reduced markedly it remains too high." Ofsted, July 2019					
E.	Some pupils eligible for PP often have low aspirations, which can be shared by their parents. Out of College barriers pertaining to individual pupils may require extra support. This could include behaviour, anger management, uniform, equipment and a lack of support from home that is available to others.					
F.	Improve levels of literacy and numeracy across the College					

4. In	tended outcomes (specific outcomes and how they will be measured)	Success criteria
A.	The quality of teaching, including targeted interventions, is consistently high across subjects to meet the needs of all learners.	 College quality assurance records of lesson observations show that teaching is consistently good and is improving. Implementation of a common approach to Teaching and Learning using the "High 5 Lesson"- Consolidation, Modelling, Response and Feedback, Challenge and Independence. Effective CPD throughout the year resulting in improved teaching and outcomes. This will include the development of Middle Leaders and a personalised CPD program developed for all teachers as a response to quality assurance.

		 College quality assurance records show consistently good marking and feedback across subjects. Every teacher is using assessment information to plan learning that meets the needs of all groups including disadvantaged, SEN and higher ability. Refer to COVID catch up premium document to inform other aspects of high-quality teaching
В.	The progress of disadvantaged pupils, including those with higher prior attainment, improves.	 Internal assessment data shows that the performance of disadvantaged pupils is improving across cohorts and subjects. Barriers to learning are identified for disadvantaged pupils and appropriate interventions and support are put into place. Key performance indicators show that the differences between the performance of disadvantaged and none disadvantaged pupils, including those with higher prior attainment, are diminishing. This includes: Progress 8 Attainment 8 Basics Measure (Strong and standard) Ebacc Measure (Strong and standard) COVID catch up premium document highlights strategies incorporated for disadvantaged students
C.	The attendance of pupils eligible for Pupil Premium is improved, including those who are persistently absent.	 Average attendance of disadvantaged pupils is more in line with non-disadvantaged pupils and College targets. Attendance of disadvantaged students is closer to National Average. (95%) IDSR 2017 Persistent absenteeism is reduced for disadvantaged pupils in comparison to 2017. Engagement document – daily/weekly reports issued on a daily/weekly basis. Pastorally led via department engagement Family liaison officer to support identified students, cohort to reflect patterns identified via student services
D.	Individual pupils are supported to enable them to make progress. Disadvantaged pupils have higher aspirations.	 All disadvantaged pupils move on to a suitable destination Post 16 with none being NEET. Post 16 destinations for the upper disadvantaged cohort are in line with College targets. Increased numbers of disadvantaged pupils go on to the sixth form and then to university. Internal behaviour, data and attendance records show good engagement for disadvantaged pupils. Figures for parental attendance at College events reflects improvement. Positive pupil and parent voice. Disadvantaged pupils' attendance at extra revision sessions is in line with other pupils.

		•	Internal records show that completion of homework and work ethic is improving.
E.	Improve levels of literacy and numeracy across the College	•	PP students to achieve, or exceed, 4+ basics, in line with national average for all students PP students to achieve, or exceed, PP averages, in line with national averages for all students Standardised reading scores are in line, or above, national averages

All lessons delivered to all pupils are consistently good or better (Relating to overarching desired outcome A, B)	 Internal and external CPD to develop expertise in subject areas. Personalised teachers CPD program to focus on identified themes. Increased leadership capacity in College (Middle leaders internal CPD, NPQML, NPQSL, NPQH, SLE involvement). Introduction of "High 5 lesson" approach to improve consistency including a focus on consolidation, modelling, response and feedback, challenge and independence. Use of analysis and intervention weeks identified in the assessment calendar to identify areas of underperformance and put support/intervention into place. Heads of department to produce action plans following each assessment period. 	Quality first teaching minimises barriers to learning and reduces the need for later interventions. EEF 2018. Effective leadership at all levels of a school is critical in improving attendance and outcomes for disadvantaged students EEF 2018 Ofsted November 2017, areas for improvement: "Embed changes to raise outcomes and ensure that all pupils, especially the disadvantaged, make good progress by — making sure that teachers use assessment information so that they challenge pupils more, especially the most able — strengthening teachers' use of questioning so that pupils are routinely challenged to think hard and improve the quality of their answers"	 INSET planned at SLT and delivered to all staff Reports to SLT termly on all aspects of training, both internal and external. Teacher voice and review of all internal CPD 	Assistant Headteachers (CPD and Teaching and Learning)	Ongoing lesson observation schedule in College Calendar. Data analysis following each assessment period (2 per year) - see College Assessment Calendar

All pupils receive regular and effective written feedback (Relating to overarching desired outcome A and B)	 New whole College marking and feedback policy Sep 2017, reviewed and adapted Sep 2018. INSET and CPD for all teachers on High 5 lesson, including feedback. Focused book checks in the calendar with SLT leads, HODs and subject teachers 	EEF toolkit highlights effective feedback as an impactful strategy. Whilst good evidence of improvement, College quality assurance has shown this as a further development area. Ofsted November 2017, areas for improvement: "making sure that teachers routinely spot when pupils misunderstand and help them to improve their work"	Quality assurance calendar for work scrutiny.	Assistant Headteacher (Teaching and Learning) Heads of Department	Ongoing work scrutiny schedule in College Calendar
Teachers know their pupils well, assess progress accurately and are able to meet their learning needs. (Relating to overarching desired outcome A, B, D)	 All teachers are to use seating plans that clearly identify disadvantaged pupils. They have access to clear identification of cohorts, prior attainment and targets. New assessment criteria started September 2019 following Curriculum changes, including 3-year KS3. Barriers to learning identified for all students to allow for targeted intervention. Quality assurance and moderating of assessments across all subjects. Moderating to be built into the College calendar for all year groups. English and Mathematics QLA Key Stage 2 data to be analysed and used by Y7 teachers to inform future planning. Data/SISRA CPD provided for Progress Managers as part of the Middle Leaders CPD program 	Effective use of seating plans can improve attainment. Knowing and assessing pupils accurately is essential in informing future teacher planning. Experience has shown that skillsbased assessment at KS3 is needed to ensure pupils are GCSE ready.	 Seating plans to be in place for all classes and provided for all lesson observations. Quality assurance calendar in place. 	Heads of Department to ensure that seating plans are in place. Senior staff in charge of each Key Stage Assistant Headteacher (Assessment)	Review after each assessment period of each year group.
