

## Health and Social Care Level 3 Btec

### Mini Project

Students can prepare themselves for year 12 by completing the tasks provided.

Meeting individual care and support needs unit 5.

#### Task1.

Q. Discuss the roles and responsibilities of health care professionals. You should include;

Doctors, nurses, social workers and health care assistants.  
(1500 words approx. 3 pages).

**Extension** (approx. 500 words) Q. What skills are important for health professionals to work effectively?

Hint. Think about good communication skills and empathy. Give examples.

The course text book is 'Pearson Health and Social Care Level 3 book 1  
'isbn 9781292126012 - This is available at Amazon. In the book it is unit 5.

You don't need to use the book as there are several good YouTube sites. You will need to look at the roles/professions separately on YouTube.
