

Spanish GCSE Home Study Materials

Find below revision materials for each topic of the course. The mark schemes will also be included when you follow the link. For the listening tasks, the audio files are there also. Use word reference to help you complete the tasks. The aim is to learn more words and improve your technique.

As well as listening and reading practice you should learn answers to your conversation questions by heart and write answers to practice essay questions that your teachers will put on google classroom.
