

A-Level Maths – Revision Resources

Maths Genie

Year 12 and 13 can use Maths Genie to aid their revision. There are videos, exam questions and solutions for each topic, except the large data set.

<https://www.mathsgenie.co.uk/newalevel.html>

There is a small selection of past exam papers too

<https://www.mathsgenie.co.uk/alevelpapers.html>

Year 13 have already been provided with a booklet of papers and mark schemes for both the pure and applied topics.

There are also a selection of youtube videos available on each topic.
