Academy Programme

The background of the entire page features two dancers in black leotards. One dancer is in a high arabesque pose, with her right leg extended horizontally and her arms reaching upwards. The other dancer is in a split leap, with one leg extended forward and the other back, and her arms raised. The background is dark with several glowing blue circular patterns of varying sizes and opacities, creating a sense of depth and movement.

What does gaining a place on our Academy programme mean?

In addition to the dance programme and qualifications which are on offer for all students, our Academy students will:

Fantastic Opportunities
