

# Archbishop Beck Catholic College

Careers Policy

## **Introduction**

This policy statement sets out the college's arrangements for managing the access of providers to students at the college for the purpose of giving them information about the providers education or training offer. This complies with the college's legal obligations under Section 42A and 42B of the Education Act 1997.

Archbishop Beck Catholic College complies with the new legislation – 'Through the Skills and Post-16 ACT 2022'.

The new guidance is detailed in the January 2023 update of (Careers guidance and access for education and training providers) published by the Department for Education.

What this means, is students will have 6 opportunities in Years 8-13 to receive information on alternatives pathways including apprenticeships and technical qualifications.

The information will be delivered in careers lessons, assemblies and by independent training providers who attend our careers fairs.

## **Outcomes**

Our goal at Archbishop Catholic College is to raise aspirations, inspire and encourage pupils to consider a wide range of careers. Through careers education and guidance, our desire is to:

- Inspire and teach our students how they can reach their career goals.

## **Pupil entitlement**

All pupils in Years 7-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships through options events, assemblies and group discussions, taster events and inspirational talks.
- To understand how to make applications for the full range of academic and apprenticeship courses.

## **Careers contacts**

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers. For more information please contact:
